DETAILED ACTION

1. Applicant's amendment filed 12/13/05 has been entered.

Allowable Subject Matter

2. Claims 1-15 are allowed over the prior art of record.

Reasons For Allowance

The following is an examiner's statement of reasons for allowance: The prior art does not discloses nor fairly suggest a CVD method for forming a silicon nitride film on a target substrate by supplying a process gas which includes hexaethylaminodisilane gas and ammonia gas onto the substrate heated at a process temperature, thereby depositing a silicon nitride film on the substrate as described in independent claim 1 and in combination with other limitations of the said claim and its dependent ones.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
